However, if you, ███████ and ████ are free a bit before 2:30 we could reschedule this call for before the bigger meeting. I had proposed 2 but if you think we'll need longer than 30 minutes let me know and perhaps we can try to start even earlier.

████ mentioned a 2:00 meeting on Monday at SDNY. Does it make sense to call ████/██ from that meeting? Would you two be available? ████/██, does that mess up your meeting?

For everyone's SA, the ADIC requested a case brief Monday at 3:30 so we will have a 3:20ish hard stop.

I'm in Seattle next Mon - Thur so I'll throw out some options for the group and we can all chime in until we lock it down.
