Circling back on this from earlier this week, I don't know if this is still the operative draft, but two quick things we may want to convey on the remarks. First, page one, 2002-2005 is a four year period (not three); second, page two, there's no allegation (and it's not factually correct) that the victims "were made to give" massages – it would be accurate, though, to say ". . . who gave Epstein massages . . ."

Also this may just be me, but I think of a "child" as being pre-puberty – I think ████ is going to say "underage girls" if they want to be consistent? – but of course defer to the FBI on their nomenclature.

Subject: FBI remarks

Hi all,
Please see the attached draft remarks from the FBI. I looked them over quickly and they seem to track ours pretty closely. Let me know if you see any issues. Thanks.
