Hi all,

Rule 16 production is saved here: <\\Usa.doj.gov\cloud\NYS\StAndrews\Shared\USvEpstein-2018R01618\Discovery\GM\39 Thirtieth Production>

Please note that I double checked the Interlochen records against what we'd previously produced again to be extra sure, and there were three additional pages from [REDACTED] application that we hadn't previously produced, that were similar but not exactly the same as what we'd produced previously. I've added them to the production.

TW 3500 production is saved here: <\\Usa.doj.gov\cloud\NYS\StAndrews\Shared\USvEpstein-2018R01618\ITrial\3500\1.Testifying\Production 8>

NTW 3500 production is saved here: <\\Usa.doj.gov\cloud\NYS\StAndrews\Shared\USvEpstein-2018R01618\ITrial\3500\2.Non-Testifying\Production 9>

GX production is saved here: <\\Usa.doj.gov\cloud\NYS\StAndrews\Shared\USvEpstein-2018R01618\ITrial\Exhibits\Productions to Defense\2021.11.xx>

Indices and cover letters are attached. Please let me know when you have reviewed the productions so I can start loading the drives. Thank you!

Thanks,
