Sure. I know nada about the two [REDACTED] cases, so that would be helpful for me. I'm also mildly annoyed with the Epstein team which doesn't seem to be moving with the sort of speed I might have expected. I wonder if a quick meeting might shed light on what's going on there.

Thursday is bad for me, but T/W in particular are wide open right now.

I'm thinking of trying to set up the following team meetings for this week (or on the latter two, at least asking if it's worth checking in)
