Embedded: RE: [REDACTED] msg

I unfortunately am running out to a dinner right now – want to do 9:30 tomorrow so we have a little buffer time? And as a little background on our thinking in advance, see attached.

Could we do 10? Meeting is at 10:30. Or we can talk tonight. Thanks.

Hey [REDACTED] wanted me to reach out to give you a rundown before you talk with [REDACTED] tomorrow (just called you but your vm is full). Is there a good time? I should be generally free after 10, until about 3:00. Thanks!
