Subject: Epstein fall out
Date: Thu, 15 Aug 2019 22:42:03 +0000

Geoff,

What an Epstein mess.

(1) Investigate/prosecute the "psychologist" who cleared Epstein for suicide watch. Clear predictor of suicide is a past attempt.

(2) Get serious psychological therapy for the girls who recruited their BFFs to join them on "joy" trips to Epstein's island. We can't blame the victims but they dragged friends into abuse.

Best,
Judy
