Stacey Richman called [REDACTED] and he asked me to call her back. Mark wants to come in and meet with us and provide us with information. Their hired ME may come too. I said that was fine but it would be a one-way sharing of information, but when we could share information, we would. She understood. They are available:

Monday late afternoon
Tuesday early morning
Thursday early morning

All work for me – I think I would prefer Mon/Tues given [REDACTED] on Thurs. You?
