Subject: RE: July 14th hearing

Brad,

Attached is a scheduling order the Court issued this evening. It contains the dial-in instructions for individuals who wish to hear the audio feed of the conference, as well as information about the Court's overflow room for anyone who wishes to observe the video feed there.

If possible, we would like to let the Court know tomorrow whether victims wish to exercise their right to be heard at the hearing, so that the Court can make the necessary arrangements, but we recognize you may still be discussing that matter with Ms. [REDACTED]. Please feel free to reach out to our team at any point if you have questions.

Thanks,

[REDACTED]
