

July 4, 2020

I noticed many similarities between developer Bill O'Connell and Jeff Epstein which I mentioned in my Wm. O'Connell documents, including their known history and arrests for assaulting young girls. I may have found some connections between this group and the 'realty' company which allegedly owns Ghislaine's home. (Granite Realty v Granite Reality)

This document is to show what I've found and consists of mostly screenshots.

I think everyone knows Jeff Epstein was a pedophile whose accomplice Ghislaine engaged in these actions with him and recruited young girls to bring to him for sex. These girls were given cash and gifts to continue their relationship and keep quiet.

Bill O'Connell was arrested for the same, and he had a woman named Phyllis Capuano bring girls to him, all underage girls who were also lavished with money and gifts for sex.

Jeff Epstein had a private island in the Carribean, and Bill O'Connell drove his yacht to the Caribbean a lot.

Both wealthy men, both with ties and homes in NYC, Florida, Carribean, both abusing children, both protected, and both had a female accomplice assist them. One was Ghislaine Maxwell, and O'Connell's was Phyllis Capuano.

O'Connell's Florida residence was within one mile of Epstein's FLA residence.

A little on O'Connell is below, and he seems to have several members of the MA police protecting him, the same police related to the nightclub owners, and those I've been reporting for ten years.

The 14-year-old girl told police she visited the rich old man once a week. They had sex, and he gave her money. The man's lawyer says the girl is telling malicious lies and no sex occurred: "To help somebody is not a crime." / Illustration by Eddie Guy

He was drawn to flash, and a little bit of danger, perhaps not so uncharacteristic for a man who made a living in luxury real estate. There was the boat, a sleek 47-foot cigarette model, the sports cars, including a Ferrari and a Jaguar, the private helicopter. He told the girl he'd fly her to Martha's Vineyard in that helicopter. He said he had to be very careful with her because she was so young.

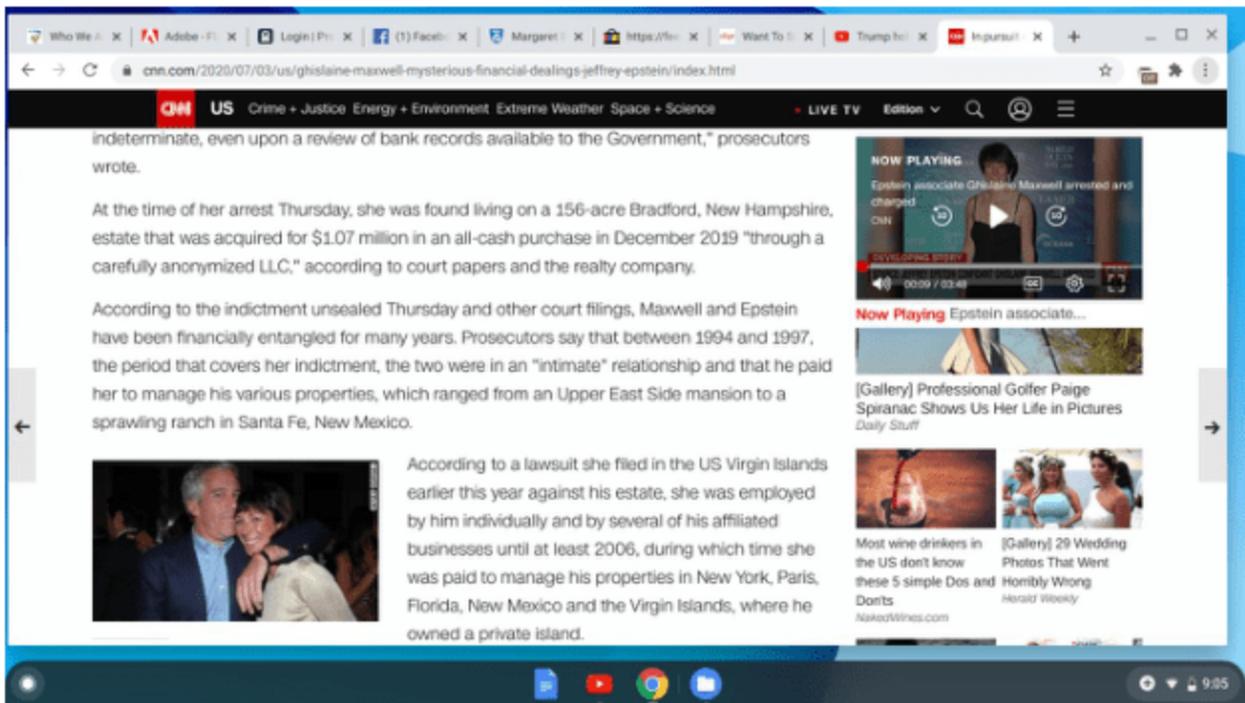

They first met in the summer of 2009. He was somewhere around 70. She was 14. She went to his condo, she later told police, on something of a pretense, invited by a girl she knew simply as Kookie.

"You just have to watch," said Kookie, a 19-year-old aspiring nanny who said she planned to have sex with the man. He was rich, one of the richest in Quincy, and he would give them money.

The below screenshot describes Ghislaine's NH estate and the news outlets claim the one million dollar home 'was bought through a carefully anonymized LLC.'

This is what these police and their nightclub/restaurant brothers and O'Connell are notorious for, including hundreds of them involving real estate.

This information, along with their close ties and business dealing with predator Bill O'Connell, and their NH ties and real estate LLC's which I've reported for years made this highly suspect to me.

After finding her home in New Hampshire and the name of the LLC realty company who she bought it through, I decided to do some checking on Ghislaines LLC, BNEG- KANE, & O'Connell who all work together .

This group has extensive real estate companies and real estate trusts tied to law firms and are very good at hiding it.

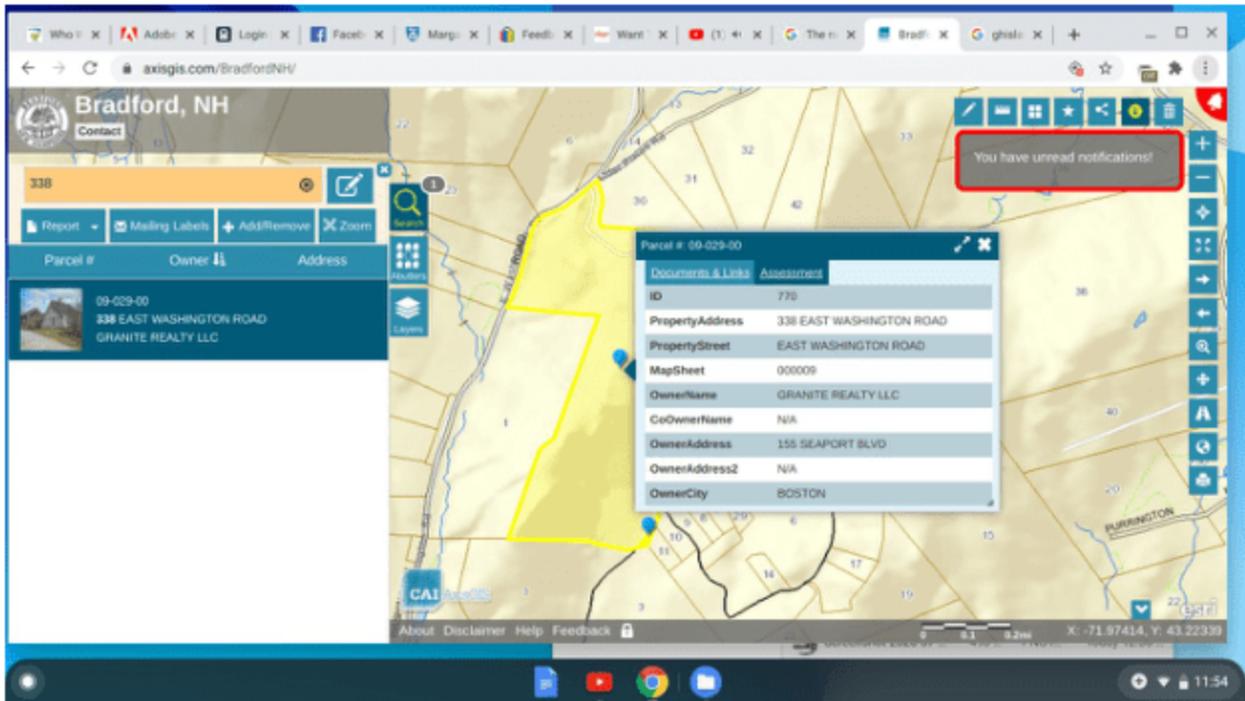

After finishing this document last night, and after finding new information, I do allege this police group, Bill O'Connell, and the BNEG nightclub owners are directly tied to the realty company who hid fugitive Ghislaine Maxwell, or were complicit in harboring a fugitive.

Her address is 338 E. Washington Bradford NH

The listed owner is Granite Realty at 155 Seaport in Boston.

O'Connell owns Granite Links, and this group has used both Granite and Seaport many times on their shell corporations when it's connected to him. They are now merging their Seaport accounts after I found them.

Ghislaines address is shown below.

Nutter, McClellan, and Fish is the law firm connected to the LLC.

A Jeffrey W. Roberts is listed on the law firm, and the police tied to O'Connell have an Ebay account under that name.

Is the name Jeffrey really a reference to Epstein, and Roberts a reference to Ghislaine's father Robert?

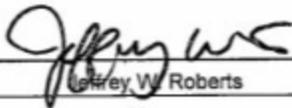

The middle initial of W could be a reference to William O'Connell who may have very close Epstein and Ghislaine and committed the same crimes.

Nutter, McInnens business ID as shown on their corporate filings is 831395.

The same police also created an account using their ID number. The police do the administrative work, create shells, donate, create accounts, and create nonprofits for the wealthy involved and attorneys on the side.

The McClennen account has transactions with someone using name's associated with Billy O, or Bill O'Connell which I will show below.

O'Connell is also tied to Seaport and many realty companies but is very, very close to these cops.

It gets a little weird with the spellings of Granite Realty, because it's also spelled as Granite Reality. But, that's one way I tied this group to the LLC, because they have created many shells and LLC's using both "Realty" and "Reality".

See below screenshot which I pulled from a news article.

The sources were not able to directly confirm whether Maxwell lived at the property, owned it, or controlled it.

The property was purchased last December by a company named Granite Reality, LLC. That's according to a deed filed Dec. 13, 2019, in Merrimack County, New Hampshire, where the property sits. (Other public documents state the name of the company as Granite Realty, LLC — note the spelling difference.) The online real estate website Zillow lists the sale price as \$1,070,750.

Before I get into their realty and "reality" companies, I'm going to post some of their accounts using Ghislaine and Epstein names. When they use the number 88, it's usually a reference to prostitution.

Granite Realty-Realty is on 155 Seaport and Ghislaine was arrested at 338 E Washington. I have noticed a lot of the numbers 55 & 33 with their shell and realty accounts.

As I've said many years ago, they usually drop one number when using them on accounts, but not always. They usually do this with attorney's BBO numbers and phone numbers.

First is their E. Washington account where she lived. MA troopers usually use Germany, as do some of their attorneys.

The police know I found this information by hacking me, and know I intend to report it, so they said they will say the name Ghislaine was used on these accounts due to its definition.
(pledge)

They will also do what they can to cover for Jeffrey W. Roberts, if that is even someone at the law firm. The transactions on his Ebay account show anything but him being an employee there, meaning money is passed solely between MA police officers.

They do have a lot of straw owners, and buyers, involved with their extensive million dollar fraud and real estate, so they can easily pay someone off to go along with them. I have even shown the attorneys involved (Kathleen Morrissey) using aliases and signing fictitious names to legal documents.

Back to Granite *Reality* which many involved with this group spell that way.

Below is Mr. Yospin from this E. Washington address of Ghislaine's, and the cop or lawyer's Ebay account registered using the name Yospin follows. He used "Granite Reality" as shown.

I found them using the same name and I'm sure they are located in all states using Yospin, just as the other 200,000 other shells they created for the wealthy. Below are a couple of shells out of Massachusetts where the cops also use the name Yospin.

The screenshot shows a web browser displaying the 'Corporations Division Business Entity results' page. The page header includes the Secretary of the Commonwealth of Massachusetts logo and navigation links. The main content area displays a table with 5 records. The table columns are Name, Position, Individual's Address, Entity Name, ID No., and Old ID No. The records list individuals named YOSPIN, MATT and YOSPIN, MATTHEW H. in various roles (DIRECTOR, SECRETARY, PRESIDENT, TREASURER) associated with entities like UNDERSTANDING OUR DIFFERENCES, INC. and XYPHOID PROCESSING, INC. in Newton, MA.

There are two attorneys connected to this group who seem to be connected to Yospin and real estate, that is Attorney Yellin who always uses aliases beginning with Y, and Attorney Richard

Hyman, his partner who threatened me years ago. I found one Youspin shell and searched the filings. One of the aliases on the filings had an address of Cornell St. Cornell St. is the name of where Attorney Hyman lived.

Below are some of the shells and LLC's this group created using both Reality and Realty.

Typically they create these for the wealthy, Kanes (nightclubs and real estate), and O'Connell's (nightclubs and real estate developer). You can see the 55 again in the below fake address.

The screenshot shows a web browser window with the URL quickstart.sos.nh.gov/online/BusinessInquire/BusinessInformation?businessID=79305. The page header includes the New Hampshire Department of State logo and the name "WILLIAM". The main heading is "Business Information".

Some involved on this document have transactions with Medimops, an account I found involved with grant fraud, and one who had transactions with an account named 'captain2401'.

I questioned this because their new MSP Colonel who was previously a captain, has MSP ID number 2401. Medimops seems to be mixed in with all the bad guys and fraud.

So Granite Realty-Reality is on 155 Seaport and run by McLennan- Fish.

Below is one of their shells named Seaport Realty on 55 Congress.

Seaport Fish	647008	Trade Name	13 Sagamore Road, Rye, NH, 03870, USA	N/A
Seaport Fish Company of Maine, LLC	690032	Domestic Limited Liability Company	13 Sagamore Rd, Rye, NH, 03870, USA	Pettigrew, Richard
Seaport Fish Company, LLC	581948	Domestic Limited Liability Company	13 Sagamore Rd, Rye, NH, 03870, USA	Pettigrew, Richard S, III
SEAPORT REALTY INVESTMENTS, INC.	101875	Domestic Profit Corporation	55 CONGRESS ST STE B PO BOX 395, PORTSMOUTH, NH, 03802, USA	Pelech, Bernard W, Esq
SEAPORT REALTY, INC.	644548	Domestic Profit Corporation	UNKNOWN, Portsmouth, NH, 03801, USA	N/A

Seaport Realty is below and they've even created an ebay account using the business ID number of 644548, as shown.

You will always find this group mixes their names around the various shells, such as the words seaport, reality, and fish . These same names, and others, are mixed in with unrelated LLC's they've created, sometimes using seaport and fish as their address instead, and there's reason for this.

These are identifying features as to what that particular shell is used for and who is running it. I've alleged money laundering for several years, thus the need for so many of them.

They used to have an account Mossack Fonseca which was involved with the Panama Papers and laundering, now they only have account name 'mossack'.

Below you will see a mix of the words fish, seaport, realty, and the number 55 again on their shells.

They even have a Seaport 55 account, so the 55 means something. I know the 33 is a reference to the BNEG nightclubs, but 55 may be tied to pedophile Bill O'Connell. Whichever police officer owns these accounts, don't let them bamboozle you and claim they know nothing. Many of them fear this group, and rightfully so. Look at the deaths in O'Connells family and his child victim.

O'Connell is tied to Seaport and recruits bad cops for money.

I found the below account six years ago and you can see they've now merged it. By merging it, it hides the original owner and hides the 55 transactions or payouts on the account.

They know I will find them and this is what they've been doing once I find them. It's more cover ups and obstruction.

On the McLennen account below, I found two references to Billy O and BO, and again, one of them has a 55 next to it.

I am providing them since I know the wealthy are tied to Nutter, McLennen, and Fish, but also because the first account below has a lot of talk regarding “little girls” on the accounts' feedback pages.

Even though they are police, they laugh about O'Connell liking young girls, they work with him on the side for cash, and Trooper Kane even once called me the “Kookie”. This was the nickname O'Connell gave to his female accomplice Phyllis Capuano.

Since Trooper Kane texted me “Kookie”, it should be on his cell records! He is buddies with O'Connell and tied to the real estate. His brothers own the nightclubs.

She finally shared her secret with a friend, and then, in March of this year, with the police. She told them of the past two years, of the fancy condo and the numerous times she'd been given cash and had sex with William O'Connell and — at his direction — several others. She also told police that William kept a metal safe in the back of a closet at his Marina Bay condo. State police searched the residence on March 31. According to police, the safe turned out to contain 18.49 grams of cocaine — enough for prosecutors to charge William with felony trafficking. The authorities also tracked down and arrested Kookie, who was identified as 21-year-old Phyllis Capuano of Everett.

Some of the three Germany accounts above also referenced Kookie on them.

Below is to show you more of their shells which are in all states and in some cases using the same names. I stated they use the number 55 and 33 a lot because the numbers have meaning, some of their shells are below to show this.

There are many under Jeffrey W. Roberts name and it's tied to Bill O'Connell.

If he was friendly with Epstein, and did illicit business with him, he would be well prepared to have a hideout for either one of them if needed. This group owns billions in hidden real estate.

I mean, the two of them did the same thing with girls. It's as if O'Connell idolized him, did business with him, and copied him. He could have been running a smaller size pedophile ring in MA, and I just found out Ghislaine used to live in Massachusetts!

The LLC involved with Ghislaine and the MA purchase was Tidewood.

In 2015, Maxwell was battling [REDACTED], one of Epstein's accusers, in federal court. The case was finally settled out of court two years later. By then, Maxwell was involved with Borgerson and had moved to Massachusetts. In 2016, she sold her Upper East Side mansion for a little more than \$15 million. That year, Tidewood LLC, a limited-liability corporation, bought a parcel of land in Manchester-by-the-Sea, a scenic town about 35 miles outside of Boston, for \$2,450,000. Minutes from a Manchester-by-the-Sea zoning-board meeting two years later would identify the homeowner behind Tidewood as Scott Borgerson.

permission to add "a natural swimming pool and a new two-story, two-car garage attached addition with a second floor in-law apartment." Locals have spotted Maxwell around the Manchester-by-the-

Sea property.

In the years before Epstein's arrest on July 6 and indictment on charges of sex trafficking and conspiracy, Borgerson and Maxwell socialized with Harvard professors around Boston. Meanwhile, the TerraMar Project had changed its contact address on tax filings to that of DGC, an accounting firm in Woburn, Massachusetts. "I'm sorry, but I can't share any client information," an executive there said when asked about TerraMar's abrupt closure on July 12.

They mentioned a DGC accounting group Terramar is tied to, but Bill O'Connell and this group also have Woburn ties and DGC shells.

Terramar was a Ghislaine business which had to do with the ocean. The Terramar account is tied to this group but may not be tied to Ghislaine's business. I submitted it just in case.

I did a little more digging to find out what the 55 number meant to this group. I found a home which was built on [REDACTED] and the builder is a part of this group.

The 55 being used on all of the above represents the name Maxwell, with the Jeffrey name used for Epstein, and Robert used for Ghislaine's father. (They use this method a lot on their shells and LLC's)

DBS Development is tied to the real estate at [REDACTED] and DBS is run by this group.

O'Connell has also been protected for many years by the LE in MA. I've been reporting the untimely and suspicious death of his child to agents Shaw and Jarvis, along with Weinreb for a very long time. I later found this group of police had created shells using the above FBI and DOJ head's names, so I stopped going to them. The shells using their names were registered under federal finance institutions. (see my political donor docs)

O'Connell and the Kane's are the wealthy who want me silenced, badly.

Both me and my child have received many death and rape threats for reporting the truth, and it's these rogue MA troopers who are recruiting criminals in my area to destroy my vehicles and homes since I began reporting them.

Two of them are below, and the rape threat towards my daughter was when she was fifteen. This was a group of MA troopers sending them but using fake names. They also used illegal surveillance in my home (I found it and reported it) to discuss my daughter undressed in the shower and what "they wanted to do sexually to the fifteen year old girl".

Can't wait tho rape your daughters little virgin ass.

Law enforcement never responded to my calls, complaints, or letters. They refused to file reports and wouldn't take the cell information from a phone they dropped behind in my home during one trespass. They are doing the same to me today with nobody intervening, and doing so because the union and politicians they fundraise and illegally donate for are protecting them. You will see one of them below.

They wouldn't do a thing to help because O'Connell and the Kane's pay big money for silence, and because many of the police work on the side for the wealthy. If they can't pay you off, they threaten you, have civilians file false charges against you, and destroy your property as they've done to me so many times during the last ten years.

This group operates as if they are above the law, and they are treated as such. No competent investigations, and only cover ups by MA LE it seems. You see a proper investigation may open up a huge can of worms, and one hundred MA troopers have already been arrested during the last several years. They don't want any more bad press. MSP IA covers for them too and my other documents will show this. (Bad leadership there)

Are police in the habit of purchasing and accommodating fugitives with places to hide, or is it the wealthy Kane's who are pedophile O'Connell right hand men a part of the hidden one million dollar cash sale?

All of them own billions of dollars in commercial & residential real estate, which I allege was laundered money that came back into the US via real estate and their finance companies. (See BNEG docs)

Did one of their attorney counterparts such as Ira Yellin or Kathleen Morrissey own the property before handing it over to Ghislaine or was it held in a trust for O'Connell or the Kane's, perhaps held for Epstein in the event he needed it?

It seems some of their lawyers are a part of it and they work with many who will cover for them. I've uncovered over 500 million in their trusts tied to these law firms.

If you read my other documents, including the BNEG Nightclub document, you will see how much they have hidden, and this is why they are trying to silence me.

It's a lot of information on several documents, but it's small in comparison to what I actually have. None of my real estate or loan documents are included. These documents may show bits and pieces as to who is protecting them in Massachusetts and why.

Like Epstein, O'Connell is a powerful, influential, wealthy man who donates a lot to the politicians. The troopers and other nightclub owners, recruit police to be the middle man in order to donate via various LLC's to these same politicians.

So O'Connell could make a \$1,000 donation publicly to a politician, but these cops will pass another \$50,000 to them via bogus names and LLC's.

Peter Forman, South Shore Chamber of Commerce president and CEO, has said. “[The family is] very much a part of the community.” As kids, the brothers passed out campaign fliers for Arthur Tobin, a former Quincy mayor who now serves as clerk magistrate of the city’s district court. Former Quincy Mayor Walter Hannon Jr. partnered with the O’Connells in the development of Granite Links. And over the years, the O’Connells have given thousands of dollars to local candidates, including former U.S. Representative William Delahunt (who lives at Marina Bay), former state Treasurer Tim Cahill, and current Norfolk County District Attorney Michael Morrissey. The brothers, it seems, were strategic in their donations; their close ties to so many local leaders didn’t exactly hurt their development projects.

The nightclub owners and Trooper Charlie Kane are silent campaign managers for the Norfolk DA Mike Morrissey shown above. Charlie was working in his office and all are close to Bill O’Connell. Charlie is the one who texted me the nickname “Kookie”, which means he knew what was going on with O’Connell and children.

I also found some of them (Mathias) on websites seeking “young thai girls”, and if you read my Bill O’Connell document, you will see more ties of theirs to their erotic world.

If you are unable to read this document, unable to open links, or if it is skewed in any way, this is Trooper David Manning hacking me again to prevent this information from being seen. I have been typing this and searching for this information for three days, and since they are hacked into me they know what I have found and will do all they can to block it. They are also masters at cover ups, pay people to lie, and have friends at the LE section of Ebay who alter accounts

immediately and reissue them to hide the original owner. They will do all they can to block the truth and their ties to O'Connell, they already have.

Trooper Manning's email to me is below, this was around the time I ditched him after going on a few dates, and he's been obsessed with me since. He has also hacked my bank account, and he's the one tied to my home and trucks, gains entry to destroy my property, and he's still having him criminals do the same to me today in NH. He actually tells me it's going to be done before he does it, and then when I report him, he gets mad and issue's more threats.

Dave Manning [REDACTED] wrote:
sorry I am busy hiding something..... like the fact that I have hacked your bank and email
accounts..... made copies of your house and truck keys..... and

He hasn't been held accountable since I began reporting him over ten years ago and this is why he continues. I just bought a new home and it's been vandalised in over twenty places, and only done if I leave my house or as I sleep. This is one trooper who is a danger to society, preys on women and children, and belongs in jail.

Thanks for your time,
