Correct. And I don't know for sure if they will, but in case they do, wanted you to know the context.

thanks,

O.K. Thanks for the info. I have not heard from anyone at this point. When you refer to the "initial investigation" are you referring to the Florida investigation back in 2006?

Sigrid,

Just a very quick heads up that the DOJ Office of Professional Responsibility, which has its own investigation of the original plea deal, may get in touch with you. We are completely separate from them, but we understand that as part of their inquiry into the circumstances of the initial investigation, they may seek to ask some very brief and limited questions about victims' experiences at that time, potentially including one or more of your clients. We're not conveying any obligation at all, we just didn't want it to be a surprise if they reached out.

thanks,
