I worked with Laura Ingersoll 20 years ago when I was at Public Integrity. World gets smaller and smaller.

On a humorous note, we had a teleconference yesterday before Judge Vyskocil in the horse racing indictment, and someone interrupted the conference call to discuss showering...

I believe the current acting director is Jeffrey Ragsdale, but the OPR counsel you may hear from is Laura Ingersoll.

And all well here so far – thanks.

Rita,

Just a very quick heads up that the DOJ Office of Professional Responsibility, which has its own investigation of the original Epstein plea deal, may get in touch with you. We are completely separate from them, but we understand that as part of their inquiry into the circumstances of the initial investigation, they may seek to ask some very brief and limited questions about victims' experiences at that time, potentially including Ms. Robson. We're not conveying any obligation at all, we just didn't want it to be a surprise if they reached out.

And I hope that you're healthy and safe in these highly unusual times.

thanks,  
Alex.
