Sigrid,

I don't know if you've had the opportunity to google Patrick Stupful, or to review his Twitter account, but it's difficult to believe he's acting in good faith on this, or that he has Virginia's (or other victims') best interests at heart. He appears to be attempting to "troll" people to get attention by exploiting the Epstein case, e.g. –

I would be concerned for Virginia about putting faith in people who don't actually have an interest in the truth or in good-faith investigations, though of course up to you and her how she engages with anyone who contacts her.

thanks,
Alex.

Virginia asked me to pass this along to you in case it is helpful to the FBI. These are additional posts from "Patrick Stupful" that she continues to receive and he keeps asking her for "help". I informed her of your suggestion before that she can always block a person if they continue to harass her in any way. Thank you for your attention to this.

Best,
Sigrid
