He's not announcing anything. He was invited by Safe Horizons to speak at an event to commemorate the New York State law that allows victims of sexual abuse to bring civil suits this year irrespective of the statute.

I'm free all afternoon, so whatever is good for the team.

On a separate note, in the past ten minutes we have started to get calls and emails from various attorneys involved in the case asking what the big announcement is that [REDACTED] is doing at Epstein's house this morning, and the extremely embarrassing answer is that we have no fucking idea. What is he announcing?

Hey Guys – Hope you all had good weekends. Do you have some time today to follow up a bit further on our meeting from last week? I think [REDACTED] and I are generally free except from 2-3, so let us know what works for you.

Thanks,
