Dear [REDACTED],

As discussed, I'm a senior reporter with the Australian Broadcasting Corporation's 730 program. We're the ABC's flagship current affairs TV program, similar to PBS' Newshour and the BBC's Newsnight. We broadcast to millions across the country and the Asia-Pacific, and have a large digital footprint too.

I'm writing on behalf of the show to request an interview with the US Attorney for the Southern District of New York Geoffrey Berman regarding the ongoing investigation into the conduct of Jeffrey Epstein. Australia is already home to one key Jeffrey Epstein victim and there may well be others who are unaware that the USDOJ is continuing its investigations into the actions of others in Mr Epstein's circle.

We could send a camera to him and it would take no more than 15 minutes of his time.

I look forward to hearing from you.

Thanks in advance
