Thanks. Once you've got this, would you mind scanning and sending to [REDACTED]? He just asked for a copy. Thanks

We can pick up ... only thing is, did this not need to go to Part 1? [REDACTED] would know better than I whether a mag court order is sufficient, I just ask because I think the prior order was a district judge.

Were you guys able to pick this up? If not, can you send a paralegal over to do so today? Thanks.

I just got a call from Judge Nathan's clerk that she signed the order and it's ready to be picked up from her chambers, if one of you want to engineer that right now.
