Hi [REDACTED]

I'm working with the rest of the Epstein team to get the travel booked and the memo signed by [REDACTED]. We may not have everything done until tomorrow or Thursday, but I'll let you know as soon as we do.

Thanks,
[REDACTED]

Hi [REDACTED]

EOUSA called me this morning to notify me that they received your passport. They are looking for a corresponding itinerary.

I told them you would book your airfare tonight and I would send it to them. However, they are also looking for the travel authorization in E2. So in order to get all those things going we need to have a travel memo signed by [REDACTED] not sure if you are already working on that.

There are no guarantees that the passport will be ready in time for your trip but in order to move forward with the process we must do all of the above. [REDACTED] can further guide you on the foreign travel process.

Thanks,
[REDACTED]
