Hi all,

I've attached the notes you've requested. I've also attached [REDACTED] 302 and notes; that interview was not in the batch we gave you. You'll see below where I've typed "attached" to reflect what notes we have. Interviews where this is not written simply meant there were no notes to attach likely because the interview/contact was brief (I double checked all to be sure). Let me know if there is anything else you come across that we've missed sending.

Also, could you send over the notes from the last two phone interviews with [REDACTED] and [REDACTED]? Just want to make sure we have them on our end.

Thanks,  
[REDACTED]
