Inquiry:

Hello, I'm a journalist with the Daily mail and am looking to find out if you have any comment on the claim in newly unsealed court documents that Prince Andrew and Alan Dershowitz put pressure on the DOJ to give Jeffrey Epstein a favorable plea deal in 2007. The documents were unsealed in a civil case brought by [REDACTED], an Epstein victim, against Ghislaine Maxwell, his alleged madam. Please email or call me on [REDACTED]
