Hi [REDACTED],

Here are the two documents I mentioned. For the list, we'll need to make up our own to make a slide exhibit that's anonymized, but I'm attaching the list so you can see what it looks like.

Thanks!

Sure thing. Hopefully I set up my desk phone right, but if that doesn't work my mobile is [REDACTED].

Hi [REDACTED],

Thanks for following up. Are you free for a call this afternoon to discuss? This is a great starting point, but I think we'll be working on this a bunch throughout the week.

Good morning [REDACTED],

I wanted to follow up and make sure that there weren't any issues with the [PowerPoint](#), and whether you wanted me to do anything else with it.

Thanks!

Hi [REDACTED],

I finished updating the pictures in the PowerPoint which you can find [here](#). If you have a second take a look to make sure they look alright to you and also that I combined everything you needed from the previous PowerPoints. Let me know if you want anything changed or when I can start censoring some of the info.

Thanks!

Hi [REDACTED]!

I'm almost done replacing the pictures, but would it be possible to delete the second slide of [REDACTED] pictures for this presentation? It's really hard to find 5 pictures of people that look reasonably similar on image search.

Thanks!

Hi [REDACTED],

I'm at the paralegal office right next to where [REDACTED] and [REDACTED] sit. I think it's where [REDACTED] and [REDACTED] sat? If nothing else my door still has [REDACTED] nameplate on it. Also I'm about to run out to pick up my lunch but I should be back by 1:30pm. See you soon!

Hey [REDACTED]

Can you remind me where your desk is? If you're around this afternoon, I can swing by. Thanks!

Hi [REDACTED]

Welcome to the unit! I wasn't in the office today, but I'll be in tomorrow and can swing by to chat about this. But for starters, I think we're saving things related to this exercise in the trial folder under a folder for the mock jury exercise. If you could please start by combining the Maxwell grand jury ppts for our first presentation and also the superseder, that would be great. Those powerpoints should be in the grand jury folder. We can chat about where to go from there, but as a brief preview, we'll mostly be working to anonymize the information that identifies victims. We are taking strong measures to protect victim identities in this case.

Thanks! See you tomorrow.

Hi [REDACTED] and [REDACTED],

[REDACTED] now has access to the shared for Maxwell. I gave him a preview of the powerpoint task we discussed last night but if you have specific instructions (e.g., alternative names you want to use), feel free to send them his way. We're also all in the office so if you're in and want to discuss in person (or over the phone), we're around.

Thanks,
