Dear Ms. [REDACTED],

Regarding the SDNY press conference this past week announcing the arrest of Ghislaine Maxwell, I am contacting you as SDNY encouraged the public to report concerns of potential child sex abuse and grooming---no matter how long ago.

- Michael Waxman and Igor Malenko may, or may not, be related to the Epstein case. Allegedly Maine US Senator George Mitchell is, and he was, according to published flight records, on Epstein's plane.
- Michael Waxman's family is New England's largest corporate real estate family (Finard Properties) with extensive real estate in New Hampshire, Maine and Massachusetts – including a family "summer estate"

Waxman used to take my two-year old daughter to for overnights. Transcript PFH Against Waxman Vol II.pdf" at: <https://documentcloud.adobe.com/link/track?uri=urn:aaid:scds:US:064b57d1-1994-430f-a613-5a89dc37b7e6>

- My 2-year-old daughter, [REDACTED], was confirmed for sex abuse by her father by Maine's sexual assault forensic examiners. Her father, Igor Malenko, was on an illegal green card at the time of this confirmation. He was later given US citizenship although he was not legally able to receive US citizenship. Michel Waxman has been his pro bono lawyer for more than a decade and has declared his "personal" interest in my "beautiful" daughter.
- Igor Malenko, as a criminal alien on an illegally green card, is the only person to ever sue Portland Maine's District Attorney, Stephanie Anderson, when she attempted to uphold the law and enforce a judgement of joint custody that Igor Malenko had been violating for nearly two years—illegally withholding and hiding my four-year-old daughter from me

- Michael Waxman, despite 13 counts brought by Maine Overseers of the Bar for extreme stalking and harassment of me and my young daughter, was protected by a judge who rule the Overseers of the Bar had a "problem with reality." The same judge who protected Maine's former FBI bureau chief arrested and convicted for raping a ten-year-old girl.
- Michael Waxman vowed, and this is detailed in under oath testimony in court transcripts and his own emails, to use his "vast family fortune" to take my daughter from me because he loved and "cared for" my "beautiful" daughter whom he wanted to "play games with." He posted on his Facebook account that he wished he could be like "Men in Black" and erase my daughter's memory of her mother. I could go on. This is the briefest of summaries.
- I am reporting Igor Malenko, a criminal alien, confirmed for sex assault of my two-year-old daughter has been illegally protected by US government employees in Maine and provided a green card he was not legally eligible for and citizenship he was not eligible for. I assume Michael Waxman used his "vast family fortune" to purchase these.

SDNY say to report – no matter how long ago - child sex abuse and/or concerns about potential child sex abuse and grooming.

My daughter was confirmed for rape by her father when she was two years old. Her father is not legal in America. He has engaged in green card and citizenship fraud. He has lied, extensively, to the USG. My daughter has been prevented from contact with me, her mother, for nine years.

No one has helped me or my daughter. The criminals have been totally protected by USG employees.

Brief overview of what is going on in Maine -

1. **Maine State Police Chief** (for 25 years) **Andrew Demers** went to jail for raping his own 4-year-old granddaughter & is now a **registered sex offender** <http://sor.informe.org/cgi-bin/sor/step3.pl?id=9429&search=2&city=S&limiter=> Every one of the cases that he shut down, including Bill Cohen's, related to child sex abuse should have been re-opened.
2. Maine's most powerful **US Senators Bill Cohen** (Bill Clinton's Secretary of Defense) and **George Mitchell** have been credibly named as child sex abusers/traffickers  
<https://theglobepost.com/2019/08/29/us-predator-database/>

3. Maine's former **FBI Bureau Chief John Kenoyer** went to jail for raping a 10-year-old girl

4. Maine **Child Protection Senior Staffer Cynthia Wellman** sued the State of Maine claiming Maine government employees and UMO professors were running a child trafficking ring

5. Maine's current **Governor Janet Mills** (who grew up with me-her mother was my high school English teacher) has been instrumental in the crimes against my daughter and I and in protecting Waxman/Malenko. She has also been credibly named as involved in cocaine trafficking

6. **Michael Waxman has Epstein** level wealth. We have already reported to federal law enforcement concerning pictures Waxman posted on his public media account with a very young boy that Waxman wrote had "bedroom eyes" while sitting on Waxman's lap at his family's 5 star, multi-million dollar resort, **Tryall in Jamaica**. No one did anything. Please see attached. Waxman said he would use **his vast wealth** to take my daughter. And he did.
7. **South Portland police, Steve Webster**, who helped protect Waxman/Malenko, has retired and is now presenting himself as an expert on child sex trafficking

Hoping and praying you will investigate and act.
