[REDACTED], thank you for including [REDACTED]
[REDACTED], my cellphone or this email is the best contact points.
[REDACTED], I think I know the answer from our prior conversations but can I inform the other lawyers who like me have prior privileged communications with Mr Epstein that are contained in emails and/or documents on his computers and phones that there will be no review of the content of documents and emails whether they are on computers/phones seized in the VI or NY or NJ before a taint team is put in place and we are advised of the identity of the taint prosecutor so we can communicate to him/her the list of attorneys for whom the privilege is being asserted?
Finally, the Estate attorney has authorized me to have preliminary conversations with you that could/should include Mike Miller. Anytime today after 230 EST would work. If the subjects go beyond my expertise, I will convey the questions/issues that are of concern to others and reserve the right to have additional counsel in future communications.
Thanks
Marty

Marty,

In connection with your below communication, I am copying [REDACTED], [REDACTED] of our Civil Division, whom I expect will be in touch with you directly regarding your requests.

Regarding the review of materials seized subject to search warrants, as you mentioned in your separate email of yesterday, August 12, I expect that we will be in touch with you in the coming weeks regarding the provision of information for our privilege screening process.

Regarding your question about the Government's intentions with respect to the Indictment, that is in progress but is ordinarily a process that can take some time. Please advise if you believe there is an emergency in connection with the timing of that process.

Finally, can you please provide contact information for counsel for Mr. Epstein's estate (or anticipated estate, if that is not yet formally established)? If that is you, I will follow up separately regarding relevant issues, or otherwise can go directly to the right person or firm.

I realize I have been delayed in responding to your voicemails of yesterday and today, but we were working to be able to get you appropriate answers to your queries, including the correct contacts. Please let me know if you would still like to schedule a phone call to discuss any of the above.

thank you,

■.

Mike, Marty, Reid,

I just wanted to let you know that I don't expect we'll have any further updates today, and so wanted to send you a brief note to let you know that since we hadn't otherwise been in touch since earlier this afternoon. I imagine we will continue to be in contact in the coming days; meanwhile, I appreciate you being in touch today, and I hope the investigations of these events will be thorough and swift.

respectfully,

[REDACTED].

Following up on the below, wanted to make sure the attached letter from the Warden immediately got to Mike as well (in addition to Marty and Reid having been copied and emailed). As the letter indicates, there are now investigations ongoing, including as initiated by the Attorney General himself. Separately, we have not received additional information on topics such as the apparent cause of death, the status of observation of Mr. Epstein at the time, etc., but we will continue to be in touch immediately if that changes.

thank you,

[REDACTED].

Mike, Marty, Reid,

Following up on my conversations with Mike and Marty this morning, and my discussion with Mike moments ago, attached is a press release just sent to us (and I believe also issued publicly) some minutes ago. It represents all the information we have from BOP so far, but of course if we are successful in our continuing efforts to get additional information we will pass it along immediately.

Separately, we can tell you that the reports that an FBI investigation into the death has been initiated are accurate, and I fully expect that investigation to be extremely rigorous.

As always please don't hesitate to reach out to us directly at any time if that would be useful.

thank you,

[REDACTED].
