I wanted to alert you to testimony by Kathleen Hawk Sawyer during a line of questioning involving Sen. Lindsay Graham, in front of the [Senate](#) Judiciary Committee.

“With a case this high profile, there has got to be either a major malfunction of the system **or criminal enterprise at foot** to allow this to happen. So are you looking at both, is the FBI looking at both?” the South Carolina Republican senator asked.

“The FBI is involved and **they are looking at criminal enterprise**, yes,” Sawyer responded.

To our knowledge, that is not accurate and could stir speculation. Is it possible that she could walk that back? Or correct it afterwards?

Thanks
