See below. I'm in White Plains but happy to discuss timing on Epstein (two memos? Is one Maxwell/[REDACTED] and one LLC? Or something else?)

On Epstein, spoke with the team yesterday and have an update on timing of pros memos which I'm happy to discuss and will relay to [REDACTED]. Don't think we can do next week but I do think we can roll out what will be at least two different memos over the next few weeks. [OK](#).
