Here's what I have right now, with the caveat that some GEP things are in flux given recent developments:

Wednesday at 10 - conference in Avenatti before Judge Gardephe. This will be MA's first appearance here since his arrest. We expect Gardephe to set a 1/27 trial date with jury selection starting this Thursday.

Wednesday at 3:30 - Rescheduled moot of Rob [REDACTED] opening in Avenatti.

Friday - DAG visit, GEP/AOC presentations from PC.

Friday at 3:30 - meeting with [REDACTED]'s attorney.
