I know nothing about Jeffrey Epstein other than what I have heard in the media.

However, I have a lot of information about Geoffrey Berman. I have about 40 emails to help prove he has been involved in fraud, conspiracy and racketeering with the Democrats, Clintons, unions and many others

associated in the Mueller investigation. I believe this can totally discredit the Democrats as well as Geoffrey Berman and others associated with him as well as the NY Attorney General.

I am working to file a complaint against him and others with the New York Bar Association. I believe lawyers for Jeffrey Epstein may be able to use this information in arguments to have his criminal charges dismissed. I am not a fan of Mr. Epstein but he has a right to know and be able to use this for his defense.

I will be glad to provide copies of emails and discuss this.

I will be available this morning.
