[REDACTED] Geoffrey, I have not heard back from you. Many of the emails to Mr. Berman are also copied to Robert Khuzami, Barbara Underwood, Letitia James, many Democratic members of Congress, Robert Mueller, Rod Rosenstein, all of Muellers team, lawyers for Hillary Clinton and the Democratic party, Mark Herring, AG of VA, Justin Fairfax, Lt Gov VA, Ralph Northam, Gov VA, CNN, MSNBC, Wash Post, NY Times, Obama and his lawyers and team and dozens more. When this comes out, President Trump will be able to use all this to prove fraud, conspiracy, racketeering by and with the Democratic party, FAKE MEDIA, elected Democratic persons,

All this began with and by Verizon the unions, state of Virginia. They could have avoided this long ago. Contact [REDACTED]

I will be making this information to lawyers for Jeffrey Epstein by 4pm today. I just heard they have motioned for bail for Mr. Epstein. They can use the information I have to possible file the fraud, conspiracy and racketeering charges against Mr. Berman etc and have the charges against Mr. Epstein dropped.

I look forward to hearing from you to discuss this and resolve these issues. I happen to have all the evidence to prove my allegations.

Please contact me by 4pm today. You may want to contact [REDACTED] and find out why they have allowed this issue to get this far as to possibly destroy the Democratic party, , Mr. Berman and so many more associated.

I know nothing about Jeffrey Epstein other than what I have heard in the media.

However, I have a lot of information about Geoffrey Berman. I have about 40 emails to help prove he has been involved in fraud, conspiracy and racketeering with the Democrats, Clintons, unions and many others associated in the Mueller investigation. I believe this can totally discredit the Democrats as well as Geoffrey Berman and others associated with him as well as the NY Attorney General.

I am working to file a complaint against him and others with the New York Bar Association. I believe lawyers for Jeffrey Epstein may be able to use this information in arguments to have his criminal charges dismissed. I am not a fan of Mr. Epstein but he has a right to know and be able to use this for his defense.

I will be glad to provide copies of emails and discuss this.

I will be available this morning.
