[REDACTED] - I'm sorry that's what I was given from the Agents /AUSA's. My understanding is many have Legal Representation and notification must go through them but I haven't been given that information.

I can try to call the ones that we can call and ask for their emails - would you like me to do that?

We are working hard to send out a letter. Do you have email addresses to any of these victims. The list of names that we have only one person has an email address. It would be great if you could provide email addresses so that notice will be sent to them today instead of snail mail.

Anything you have would be great.

Hi [REDACTED] - I have been working with [REDACTED] to ensure all victims are in VNS for you to provide notification. Some have already asked when they would hear from your office. I told them they would hear soon especially since the arraignment is scheduled for Monday.

Our office is also in the process of identifying new victims which we will add into VNS as soon as we have them.

Have a great weekend-

The above captioned case has been indicted by the USAO in SDNY and is pending in Federal District Court Southern District of New York. All notifications will be going out to the victims from the USAO SDNY. If you require a copy of the Attorney General Guidelines in which it specifically notes when the USAO sends out notifications I can provide it.
