Actually, I've been pushing the brass to do more on hate crimes, and attended a session at the FBI on this recently. When you were talking about the domestic terrorism squad when we met, I meant to mention and get your insight and then we got side tracked. I'm a bit annoyed I wasn't on this email – glad you forwarded! I'll follow up with [REDACTED] and [REDACTED] and will forward you something I send the brass recently that [REDACTED] was planning to follow up on.

Hey – I talked to [REDACTED] about hate crimes and domestic terrorism, and she kindly included me on this brainstorming session. Any interest in joining? I know it's not really PSC, but could be interesting. No pressure – know you have a lot going on.

Also, [REDACTED] got added to the Epstein investigation. The brass approved moving forward with an investigation. I think it's good for the HT role.

Hi all,
I know we've talked about this before, but just to confirm – shall we reach out to FBI and [REDACTED] (NYPD Hate Crimes Task Force) to set up a meeting about this/more creative ways to find these cases? I know [REDACTED] would really like to do that as well, so I'm happy to get the ball rolling if you'd like. Also, [REDACTED] and I were just chatting with [REDACTED] about something else and it seems like she gets wind of potential hate crimes in other contexts, so it would be great if she could be looped in too. (Anyone else? [REDACTED]?) If this sounds okay, please give me some dates over the next couple of weeks that look good and we'll work it out. Thanks,
