Hi team – I've stamped NTW Production 5, and it's ready for your review [here](#). I've also updated the index, saved [here](#). Happy to make any edits as necessary!

Also, a reminder that we haven't produced the re-stamped [NTW Production 4](#) yet. Let me know if you want these to go out at the same time! Thanks so much!

Sorry about that! FYI, I was able to review the other folder in native format (the "Epstein Emails from VSD"), so no need to convert that one.

Hi [REDACTED] – I'm actually still working on converting the emails within the SDNY Email Tips folder, so what's currently in that folder isn't complete. The jpg files were attachments to an email I was converting. I'll let you know when everything is set and you can review. Thanks!

Hey [REDACTED],

In reviewing this folder, there seem to be a bunch of jpg files that don't open. I moved them to the DNP folder, but do you know where they came from? Were they generated when the emails were converted to pdf? Thanks.

Thanks! If you could also please PDF the other folder of emails in this production, that would be great. I get an error message when I click on them, which makes it slow going to review.

Hey [REDACTED],

Regarding [REDACTED] [REDACTED] – we ended up moving the one PDF that was originally in that folder to NTW Production 3, so it's already been produced. For some reason at the time, I couldn't delete that folder. Apologies for leaving it until now,

but I've just deleted that folder.

I will also work on PDFing the email tips, and I'll let you know once that is done. Thanks!

Hi [REDACTED],

I'm reviewing the NTW production 5 folder. Two quick things:

Could you please pdf the emails saved here:

[REDACTED]

And also, we noticed the [REDACTED] [REDACTED] folder is empty. Are there supposed to be files in there?

Thanks,

[REDACTED]
