Same here, although I'm going to do one final review of my hard copy files in the next few days (which are small). [REDACTED] by the way, was a witness in in the Epstein death case so if we plan to make [REDACTED] a witness we should look at those proffer notes.

Hi all,

I've attached the additional materials we got from [REDACTED] here (I think he only cc'ed you on the first email), and I've copied them – except for the non-blank form, which I don't think is helpful or needs to be produced – over into a new production folder here: [REDACTED]

Do you folks have any other discovery to go out? If not, I think we should ask [REDACTED] to stamp and push out to defense counsel as additional Rule 16. Based on the roster, it looks like the supervisor on 7/5/19 was [REDACTED] I spoke briefly with [REDACTED] (who helped me interpret the roster), and it sounds like he might be a good witness. I've asked [REDACTED] for his contact information so we can set up and interview.

Thanks,
