We have a fairly quiet, end-of-August week ahead. I am currently scheduled to be out of the office on vacation starting on Thursday, returning the following Thursday. Depending on what else is going on, it is possible I will adjust that. Assuming I go, [REDACTED] is available to cover routine things, and I'll check email and be available by phone for anything that needs my attention or approval.

- The Epstein nolle should be ready on Monday morning (they had a draft, but were waiting for the death certificate).
- Due to a lot of people being unavailable, a tight schedule on Monday, and no urgent need, I've cancelled the unit chiefs meeting. We'll have one in early September.
