RIDER

(Grand Jury Subpoena to MCC, dated August 20, 2019)

Ref. No. 2019R01059

A. Definitions and Instructions:

1. This Subpoena calls for the production of specific documents, including handwritten notes and records and e-mails and text messages, in the possession, custody or control of the Metropolitan Correctional Center (“MCC”) or any employee of MCC for the time period **January 1, 2019 to the present**.
2. This Subpoena applies to any responsive documents wherever they may be found, including any facility that holds records for the MCC, personal electronic devices, cellular phone or other telephone, pager, tablet, laptop computer, desktop computer, personal email, cloud storage, messaging or social media accounts used by employees of the MCC to conduct the MCC’s business, and including any and all handwritten notes and records in possession of any employees of the MCC.
3. With the exception of documents containing handwritten notes, please produce requested records in electronic form (native format where necessary to view the material in its full scope) in a manner that is OCR-searchable, and with all available electronic metadata. Please provide the originals of all papers, notepads, notebooks, diaries, or calendars upon which responsive handwritten notes may be found.
4. The term “documents” includes writings, emails, text messages, drawings, graphs, charts, calendar entries, photographs, audio or visual recordings, images, and other data or data compilations, and includes materials in both paper and electronic form.
5. If the MCC has knowledge of any document that would be responsive to this Subpoena but has been lost, destroyed, or discarded since January 1, 2019, it shall identify to the extent possible each such document and provide an explanation for the loss, destruction, or discarding (including identification of each person authorizing or having knowledge of the loss, destruction, or discarding).
6. This Subpoena does not call for the production of any documents protected by a valid claim of privilege, although any responsive document over which privilege is being asserted must be preserved. Any documents withheld on grounds of privilege must be identified on a privilege log with descriptions sufficient to identify their dates, authors, recipients, and general subject matter.

B. Corporate Custodian of Records:

1. The MCC is to designate an officer or employee having personal and thorough knowledge of the MCC’s records and who shall have been responsible for the search for documents responsive to this Subpoena. That person shall appear before the Grand Jury on the Subpoena return date, produce the materials called for, and be examined concerning the completeness of the response.
