Hi. We're preparing to run a story today reporting that [REDACTED] and his legal team have turned over to your office documentation of their claim that Jeffrey Epstein misappropriated funds from [REDACTED] and his family, and that the \$46 million which Epstein donated to [REDACTED] charity was a fraction of the money taken.

We'd like to know if this is in fact the case, and whether you are conducting an investigation of these allegations of misappropriations by Epstein.

Thanks –
