And by "Complaint" I might have meant Indictment.

Congratulations on having made it (this far) through the drafting gauntlet! With apologies for the intrusion, any chance once of you could send me a word version of the original Epstein complaint? Thanks very much.

All,

Attached please find draft of the Maxwell indictment.

One thing to flag for discussion: The perjury charge in Count Five currently includes Maxwell's testimony about [REDACTED] age. Our understanding is that we need to include the full transcript excerpt in the indictment and that, although we can anonymize [REDACTED] name, we need to use the same alias (here, "Minor Victim-1") whenever we refer to her in the entire indictment. As a result, anyone who has access to the deposition transcript will be able to identify [REDACTED] as Minor Victim-1. That would significantly undermine the assurances we have made [REDACTED] that we will do everything in our power to protect her identity. Our hope is that either (a) there is a legally permissible way to further anonymize the reference to [REDACTED] in that perjury count, or (b) if not, we will be permitted to cut that specification from the indictment to protect [REDACTED] identity.

Thanks
