I received this on my personal email this afternoon. I'm assuming Ms. [REDACTED] found my personal email from the FL Bar website or I have an old LinkedIn account.

Subject: [REDACTED] Update

Hi [REDACTED],

You may or may not remember me but you came out [REDACTED] to meet with me and [REDACTED] to discuss the Epstein matter and his abuse of me and also by his other co-conspirators.

I just wanted to reach out to you because we haven't been in touch for so long and I felt deeply that you cared so much about the failure of the justice that occurred (still occurring) and you were one of the many people that made me feel heard.

There is a lot of great actions going forward with the Epstein saga and I am continuing with having my voice heard, which is really the only way to have Epstein and Co. brought to justice. I was hoping you'd have a free minute to talk to me about this matter. I would truly appreciate it if you are able to.

Hope you have been well!!

Kindest Regards,

[REDACTED] ([REDACTED])
