Thanks. We actually need to set up two meetings. Could we do Monday at 11 for just me and ████ with the Brass on Maxwell discovery and Thursday at 11 for me, ████ and the team ████████████ with the Brass for ████?
Thanks much.

Hi,

Monday 11-2:30 is free for everyone. Tuesday 1-2:30 is free. Thursday 11-2 is free.

Let me know what works.

Thanks,

Not sure which of you is controlling the calendar for next week at this point, but we need to set up a meeting next week with the Brass and the Epstein team. Would you mind giving me a few times that work for the Brass, and I'll confirm they work for the team as well? Thanks much, ████
