Hi,

Attached is a log of all the subpoenas we've served and what has come back. I've posted the actual subpoenas and returns on the USAO's FTP site, called USAFX. [REDACTED] already have access to USAFX. For everyone else, you'll need an account which is very easy. Will can help you get an account – I think he'll just need your cellphone number.

Let us know if you have any questions.
