Dear Gloria Allred:

The enclosed information is provided by the United States Department of Justice Victim Notification System (VNS). As a victim witness professional, my role is to assist you with information and services during the prosecution of this case. You have been designated to receive notifications on behalf of the following victim(s) (or potential victims) identified by law enforcement during the investigation of the case: 

Custody of a defendant during a federal criminal case is determined by the Court and is managed by the United States Marshal Service. Custody status of a defendant is subject to change during the course of the criminal proceedings. To receive the timeliest update to your case, please provide and verify your email address, as instructed below.

As of August 10, 2019, Jeffrey Epstein is not in the custody of the U.S. Marshal Service. The defendant is deceased.

Please note that certain documents (i.e. indictment, judgment, etc.) may become available periodically on the internet at WWW.Notify.USDOJ.GOV under the field "downloads/links." You will need to log in using your VIN number and password to access any existing documents.

Through the Victim Notification System (VNS) we will continue to provide you with updated scheduling and event information as the case proceeds through the criminal justice system. You may obtain current information about this case on the VNS website at <https://www.notify.usdoj.gov> or from the VNS Call Center at 1-866-DOJ-4YOU (1-866-365-4968) (TDD/TTY: 1-866-228-4619) (International: 1-502-213-2767). In addition, you may use the Call Center or Internet to update your contact information and/or change your decision about participation in the notification program.

You will use your Victim Identification Number (VIN)  and Personal Identification Number (PIN)  anytime you contact the Call Center and the first time you log into VNS on the website. You are associated with multiple cases. You will need only this victim ID/PIN code to access all case information. If you are receiving notifications with multiple victim ID/PIN codes please contact the VNS Call Center. In addition, the first time you access the VNS website, you will be prompted to enter your last name (or business name) as currently contained in VNS. The name you should enter is Allred.

Remember, VNS is an automated system and cannot answer questions. If you have other questions which involve this matter, please contact this office at the number listed above.
