Correction:

For the record, I think Epstein's a criminal but he's DEAD so there's nothing LEFT to be said about his alleged crimes.

I didn't notice any email address for taxpayer inquiries so as yours is listed, I am contacting you.

I, of course, heard Dr. Baden's conclusions today. I have the utmost respect for Dr. Baden. Will your office address why the medical examiner is refusing to take a second look at this case and refuses to hand over DNA that is clearly material and critical? With the death of Epstein, the case itself no longer interests me and I have problems with the women involved - being a mother. However, I am interested in the horrendous conditions at MCC, a probable murder of a man your office refused to grant bail, and how you intend to handle the murder investigation.

For the record, I think Epstein's a criminal but he's death so there's nothing let to be said about his alleged crimes.

Thank you.

Kelley Lynch
