**Subject:** Information

Hello [REDACTED],

To the extent it is helpful to you, my paralegal clipped the info below about e-mail accounts that may be of relevance to you to the extent you are able to get access to them. Epstein/Maxwell used a Mindspring network to communicate with employees. I also saw in the productions e-mails with the "earthlink" accounts.

[REDACTED] testimony re Mindspring/Citrix email server

---

Q. What is MindSpring?

A. It was a server. I think it was -- the office would have, like, a message system between him, the houses, the employees, his friends. They would write a message on the computer. There was no email at that time.

Q. Do you know who set up the mind spring system?

A. It was a computer guy. It was a computer guy who worked only for Jeffrey. Mark. Mark Lumber.

Q. Was he local to Palm Beach?

A. No. He was in New York. Everything was set up from New York. And Mark Lumber, I remember he came to Palm Beach to set up the system at the house.

testimony re Mindspring/Citrix email server

Q. Okay. Were you aware that Mr. Epstein used a Citrix program to link various computers? Did you know that?

A. Yeah. I use Citrix too in my computer for exchanging e-mails and get through Internet.

A. So, even my computer is connected to Citrix. I can receive mail and I can e-mail information to employee within organization. But I don't know if you can see to each computer what is going on on another computer.

\*\*\*

Q. You have used the term organization; you can share within the organization. What do you -- just so I can understand what you're calling the organization, what do you mean by that word?

A. People employed by Jeffrey Epstein. There are a few groups of people, his office in New York and I guess --

\*\*\*

O. Okay. The other people mentioned as co-conspirators are [REDACTED], [REDACTED], and [REDACTED]. So we'll get to them in a minute but first just so we stay on the track of who was in the organization, is [REDACTED], [REDACTED] and [REDACTED] all people that you would also consider within the organization?

A. Yes.

Q. Okay. So, we just added three more names to it. **Who else would you consider, Ghislaine Maxwell?**

A. Yes.

**Sigrid McCawley**
