Parvin,

We were traveling yesterday but got your email and voicemail – that’s no problem and we appreciate the heads up. We can chat today if that’s useful for you, otherwise we’re happy to cover this subject among the others at our meeting tomorrow.

thanks again,

Apologies as I left you a babbling voicemail. I was reaching out to flag that Deutsche Bank has received information that there will be an article in tomorrow’s WSJ related to Epstein that will mention the Bank. Specifically, the article reports, among other things, that Epstein controlled a charity called Gratitude America and that the charity held accounts at the Bank. We will cover this in our proffer on Thursday but we are happy to provide information on this topic earlier if that would be helpful to you.

Best,
Parvin
