FYI, I think it might be spelled [REDACTED]? At least that's how it's spelled in his deposition and most news articles. But not sure.

Brendan,

We can do 11:30 on Thursday morning—if there's any issue with that timing we can circle back, otherwise we'll plan to call you then, just let us know the best number to reach you both at.

thanks,

Is there a time on Thursday that works for you? We've managed to collect some documents.

Andy and Brendan (good to be in touch!), we wanted to get back to you from your voicemail on Thursday, with apologies for the delay. Is there a good time to have a call sometime in the next few days? I don't expect it will take long, but may be easier to set a time than to try phone tag. Some combination of our team should be generally available, so if you let us know a few times that work for you, hopefully we can get it in the calendar.

thanks,

Andy,

Following up on the below, we became somewhat distracted shortly after this email for obvious reasons, but I don't believe we ever got any response, and we haven't received any of the documents pursuant to our subpoena. Can you please let us know the status and let us know if it would be helpful to have a call to get this moving forward again?

thanks,

█.

Andy, briefly following up on the below, I just left you a voicemail but also wanted to send a quick email. To expand on our prior discussion, the type of documentary materials we are seeking from █ in the first instance are any flight manifests, flight plans, or other documents reflecting passengers and/or travel records, dating back to 2000. And we would like to hear from him about his observations, if any, of young women or girls on flights, as well as any discussions with Mr. Epstein about his relationships with young women or girls, or his legal issues relating to those relationships. We are also interested to know the identities of Epstein's employees and staff whom █ is aware of, current and previous.

I hope that's helpful for your continued discussions with him, and please let us know if you have any questions or if any additional info would be useful.

thank you,

█.

Andy,

Following up on our phone conversation a few minutes ago, thank you for being in touch and advising us of your representation of ██████████ in connection with his receipt of a grand jury subpoena. So you have contact info for our full team, we're all reachable anytime at the copied emails or by phone at:

As I mentioned on the phone, given the prospect of discussions about continued attorney proffers and a possible voluntary interview, we are prepared to hold in abeyance the current subpoena return date of July 22, 2019. We'll plan to be in touch in the coming days, and if you don't hear from us by the end of the week, please feel free to circle back.

thank you,
