[REDACTED] and I spoke with [REDACTED] on something else and asked about this. We asked generally what Epstein interviews [REDACTED] was doing. They are finishing their interviews of other staff members involved, including other staff members identified by Thomas and Noel during their interviews, for potential criminal exposure (false statements, falsifying logbook) and for their report, which they are starting to draft. They anticipate these follow-on interviews will be done soon.

Good Morning Nick,

The OIG has received a request from the BOP for the transcripts from the Michael Thomas and Tova Noel interviews. We figured that you might have questions regarding this request and would want to discuss the matter. [REDACTED] is aware of this request and I have CC'd her to this email and listed her phone number below if you would like to discuss the request with her.
