Hi Brittany,

We met with [REDACTED] last week in California, which was helpful. She mentioned that she had provided you with a batch of emails relating to her encounters with Epstein. She indicated that she would be willing to share those with us, and that we should contact you to coordinate. Are you able to share those documents with us? If you have any questions or if you think a call would be helpful to discuss, please let us know.

Thanks,

[REDACTED]
