Tom,

Received, thanks. Following up on our previous conversation (and copying Andrew since I think we discussed this with him), could you please let us know the current status on us being able to meet with someone (or someones) who can talk with us in general terms about the nature of Epstein's accounts and their activities? Also, do you have a sense – or if not, do you know when you'll have a sense – of what the overall production volume is likely to be, and the approximate timeline for complete production? The answer may be that you're not sure yet, which would be understandable, but we wanted to check.

thanks,
[REDACTED]

On behalf of our client, Deutsche Bank, the link below contains an additional production of documents in response to your July 11, 2019 subpoena. Also attached is the accompanying cover letter for today's production. The password to access these materials is the same as it was for the previous submissions. For your convenience, I will recirculate it momentarily under separate cover.

Please do not hesitate to reach out if you have any questions.

Regards,
Tom
