Dear [REDACTED], I'm sorry I dont have the correct contactaddress, could you forward this please to Mr Berman?

I have information about a sexual predator who was a pilot for Bill Clinton, he may or may not be involved in the Jeffrey Epstein scandal but I believe his flight manifests and lifestyle deserve a closer look. I am one of his abandoned children and can say that his profile fits that of someone who could assist your enquiries and maybe with personal involvement, he shows strong indications of being a sociopath and his son is a National Security Adviser and he changed both his christian as well as surname when he obtained his work permit and residency.

If Mr Berman's office would like to know more, please let me know. I live in London but have close knowledge of this gentleman and his history.

Regards
