I am our DOJ Liaison Prosecutor stationed in The Hague at Eurojust (and an AUSA from Baltimore on detail to OIA). I received the information below, and attached, from our Norwegian partners here. I'm not sure what value add it has, but I am following through on my promise to pass it on.

Let me know if you have any questions at all, or if I can be of further assistance here.

Thanks,

Dear [REDACTED],

The Norwegian Director of Public Prosecution has on behalf of the Norwegian Ministry of Foreign Affairs sent me information that might be of interest in the case against Mr. Epstein, and requested me to forward the information to USA.

The letter concerns International Peace Institute in New York and donations from Jeffrey Epstein.

I would highly appreciate your kind assistance to forward the information to the competent authorities in USA conducting the ongoing investigation. The information in the letter is provided by a woman to an employee in the Norwegian Ministry of Foreign Affairs. Her identity will upon request be given to your HA.

Please let me know if I can be of any further assistance.

Kind regards

[REDACTED]
