Sorry guys, today turned into a complete technological nightmare, so I just had to save the Word doc locally and do my best to look stuff up on my phone. Hopefully it's passable. I'm around this evening it'd be useful to chat.

Glen,  
  
No problem. Would tomorrow at 2:00 p.m. work for you? Or if not, we should be pretty flexible, if you want to suggest an alternate time.

Glen,

Thanks again for following up with us on this issue previously, and we wanted to circle back to take you up on the offer to convey some additional information to your client to see if it causes him to recall anything additional. If you could please advise Mr. [REDACTED] of the following additional information? And then we can have a call similar to our last one to check in.

The individual whose photo we sent is named [REDACTED] [REDACTED] is an employee of the U.S. Customs and Border Protection agency and worked in Saint Thomas for a number of years, and may have had a friendship with Jeffrey Epstein during that time. In particular, [REDACTED] has been to Epstein's home in the Virgin Islands and has accompanied Epstein on boat, helicopter, and/or plane trips.

Mr. [REDACTED] was listed as a contact in [REDACTED] phone, and [REDACTED] may have introduced one or more individuals to [REDACTED] at a bar or other location in the Virgin Islands.

Please let us know when you've had an opportunity to provide this additional information? And we hope you're well and look forward to being in touch.

thanks,

Glen,

It was indeed quite a weekend, but we continue to do our work as always, and the kind words are appreciated.

Thanks also for getting back to us, and we're available for a call this week if that would be helpful, and/or if you want to let us know in the first instance about the photo in particular, we can also just go from there. Let us know, and we're around.

thanks,

Belated thanks, [REDACTED]. We will circle up with Mr. [REDACTED] and maybe we can have a call early this coming week.

Crazy times in the Office these days – I hope you are all doing okay. I was on a number of e-mail threads since last night and there are many efforts afoot from generations of alums to publicly support the Office as an institution and all it stands for (and to express profound disappointment over the recent developments). Hang in there.

**Subject:** RE: Meeting with [REDACTED]

Donnie,

It's been a while since we've been in touch, and obviously our world changed substantially very shortly after the below email exchange from August 9. But we wanted to reach back out because we were wondering if you would be willing to ask Mr. [REDACTED] a couple specific, relatively narrow questions relating to an ongoing investigation. Ordinarily we would ask ourselves, in the context of the discussion we had planned to have—and still hope to schedule, once health and safety permits—but given all of the current circumstances, we'd like to make the request through you.

The initial question is whether Mr. [REDACTED] recognizes the individual in the attached photo, and if so, generally how he knows the individual. And if Mr. [REDACTED] does know the individual, we may ask you to please convey limited follow-up questions, or to schedule a brief call. If it would be at all useful to discuss this request, please let us know; if that is helpful we can chat at your convenience.

Thank you, and hope this finds you well.

[REDACTED].
