Aaron,

We appreciate that, and we had intended to check in with you today when we got a chance, but you beat us to it. We continue to appreciate your client's assistance and cooperation, and we certainly will let you know if it makes sense to connect again in the near term, though I think for the moment we're alright. And we also haven't forgotten about the [REDACTED] about which we hope to follow up with you next week, pending final internal discussions.

Thanks very much,  
[REDACTED].
