We have an NDO renewal we need to submit for the Epstein case, and I'm not sure what the current protocol is? I'm sorry for bothering you about it – I'm sure there's guidance in some email from the past few weeks, but I can't find anything on

the current logistics. Attached is what I think we need, but I'm happy to send it to whoever is the right person (or the judge, etc.). Thank you as always!!
